Water Services with Pointe West,)	CUSTOMERS
Incorporated to Serve Highpointe)	
Development in Oconee County)	

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of Jacabb Utilities, LLC (“Jacabb” or the “Company”) to pass bulk water charges to its customers. According to Jacabb, this pass-through is necessary because its bulk water supplier, Seneca Light & Water, intends to increase its bulk water charges to the Company by \$0.51 per 1,000 gallons. The Office of Regulatory Staff (“ORS”) has reviewed this matter and has no objection.

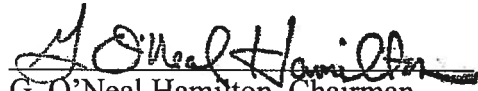

We have examined the proposed bulk water pass-through increase, and hold that the new proposed bulk water pass-through rate will become effective after the expiration of thirty (30) day notice to the customers.
